Physical Therapy the Frontline of Musculoskeletal Care

The AAOMPT 2011 conference will charge forward into the new decade with physical therapy being at the frontline in musculoskeletal care. Topics of international interest will be brought forth to examine how physical therapy moves forward, both as a role model for the inclusion of evidence-based care in a profession, and as a profession that can lead the way in the evolution of healthcare inspired by the technologic advances of the information age.

Join us on the magical grounds of *Disneyland® Resort* with Keynote Speakers:

Bill Vicenzino
BPhty, GradDipSportsPhty, MSc, PhD
Chair in Sports Physiotherapy and
Head of Division of Physiotherapy
University of Queensland, Australia

Timothy W. Flynn, PT, PhD, OCS, FAAOMPT
